

# World Spine Day celebration at IMU

---

**EVERY year on 16 Oct, World Spine Day is celebrated around the world to raise awareness about spinal disorders as part of the Bone and Joint Decade's Action Week.**

To mark this Day, IMU World Spine Day Committees had planned special events around the theme of 'Your Back in Action' to raise awareness of good spinal health. IMU WSD 2017 celebrations kick-started with a spinal health event at International Medical College (IMC) as early as August.

At the event, awareness was raised on the importance of spinal health maintenance to mostly IMC nursing students and staff.

IMU is the first and only University to offer the complete Chiropractic educational programme in Malaysia as well as in all of Southeast Asia.

The 4-year Bachelor of Science (Hons) Chiropractic programme at IMU was awarded full accreditation by the prestigious Council on Chiropractic Education, Australasia (CCEA).

Intake for this programme is in February and September of each year. If you have a desire to be a healthcare professional that is rapidly expanding throughout the world, apply now for an excellent start to an exciting and highly rewarding career.

If you have just completed your

SPM and do not have pre-university qualification, consider enrolling in the one-year IMU Foundation in Science, the preferred foundation and direct route for entry into any of the University's local degree programmes.

Find out more about our chiropractic and other programmes at the Education and Further Studies Fair in December 2017. You can also find out more about our Foundation in Science (FiS) programme on the FiS Info Day on 17 December at our campus in Bukit Jalil,
